we print for you

We print your image on premium rag, lustre, or glossy paper using Epson 9900 printers. Archival photo and matte inks are available. Maximum width for most media is 42 inches.

Digital printing prices include the following services

- Cropping per instruction
- Basic color check
- One proof upon request (additional proofs 10% of the final cost)

keep in mind

- Payment is due at the time of order
- Two-day service time (rush fee applies otherwise)
- Rush fee is \$25 payable at time of order
- Images between sizes charged the next size up
- All print orders taxed unless exemption is on file
- Max printable area varies per media. See our sample book to see which option will be best for your image
- Shipping costs not included

file set up

You can submit your files to us over ftp. Call us for details. Before you send your file or drop it off, make sure to check the following

- Color space: RGB
- File resolution: 300 dpi (200 for kiosk prints)
- Image size: Final print size, including any borders
- File format: .tif, .psd, .jpg, .pdf, .and ai accepted
- Layers: Flatten any layers
- Fonts: Bundle all fonts with your file

Prices are approximate per print.
Final cost determined by actual image size.
